

## Cana™.

890 range. Technical details.

**Function**

Versatile upholstered bench with backrest, which may be used as a two seater (with armrests folded down), as a three seater (with armrests folded up) or as a lounger (with seat pulled out). For use in informal meeting environments, such as receptions, foyers, lobbies, single offices or homes. Folded down, armrests may be used as side tables.

**Frame**

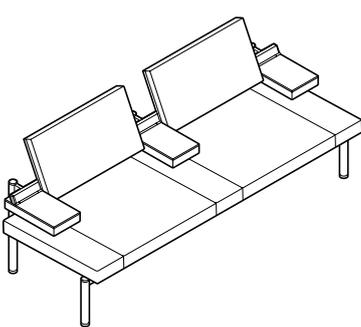

Steel tube, backrest frame and hinges in aluminium, coated, silver satin finish. Black, adjustable polyamide glides for soft and hard floors.

**Seat**

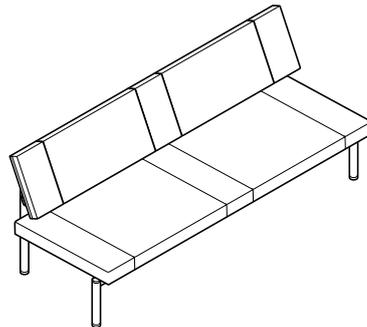

Solid beech frame, lacquered in black, with elasticated membrane. Seat can be pulled out from 78 cm (30<sup>3</sup>/<sub>4</sub>" ) to 90 cm (35<sup>3</sup>/<sub>8</sub>" ). Upholstery with rubberized coconut matting and wool fleece underlay.

**Armrests and backrests**

Maple, beech or walnut veneered laminboard with concealed solid beech lipping, natural finish. Upholstery with rubberized coconut matting and wool fleece underlay. Armrests fold up.

**890/6**

☐ 42 ☐ 85 ☐ 200 ☐ 78/90  
 (☐ 16<sup>1</sup>/<sub>2</sub>" ☐ 33<sup>1</sup>/<sub>2</sub>" ☐ 78<sup>3</sup>/<sub>4</sub>"  
 ☐ 30<sup>3</sup>/<sub>4</sub>" / 35<sup>3</sup>/<sub>8</sub>" )

Lining Cana benches up with one another produces versatile seating. By folding down the armrests, you can also create different zones. By simply pushing the seat forward, Cana becomes a comfortable office couch.
