

## Velas®

850 range. Technical details.

### Function

Lightweight and stylish lounge chair with footstool and side table for furnishing lounges, lobbies, receptions, informal meeting areas and homes.

### Frame

Frame combines sections in die-cast aluminium, with stretcher and front legs in steel tube, bright chrome plated or coated in black or white. Frame tensioned by bracket in curved, low-profile steel coated to match the black or white coated frame or in silver satin finish in the case of a bright chrome plated frame.

The standard version for carpeted floors is with glides at the front; optionally available with additional glides at the rear for hard or soft floors, on request with felt insert.

### Seat and back

Unitary seat and back frames in slim, flat steel tube contained within a 2-ply seamless cover using 3-D shaped knitting technology in high-performance polyester in red, green, dark blue, dark brown, dark grey or black. Softness enhanced with cut foam padding.

### Foot stool

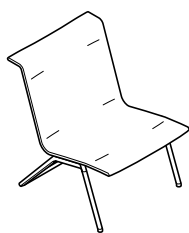

Butt leather cover in dark brown and black, plywood core material. Die-cast aluminium frame, stool legs made of solid steel, obtainable either bright chrome plated, or coated in black or white. Standard glides for carpets, or optionally with felt inserts.

### Side table

Veneer surface in natural ash, natural oak (table top group 2, variation 1) or walnut (table top group 2, variation 2), multiplex core material. Frame: steel flange, coated in black or white, solid steel table legs, obtainable bright chrome plated, or coated in black or white. Standard glides for carpets, or optionally with felt inserts.

### Standards

Velas lounge chair: DIN EN 1022
